Hey Daniel,

You can disregard #6, HESA is not currently active at this time.

Dr. Zou can confirm but the conference you listed should be okay.

Thanks,

VDC

Subject: Re: Higher Education Sharepoint and PHD Handbook for Cohort 2024

Good morning Dr. Carales and Zou,

I was looking over the residency requirements of the PhD handbook and saw this on page 17:

1. Attendance at least one defense of a candidacy research proposal in Educational Leadership and Policy Studies.
2. Attendance at least one defense of a candidacy research final paper in Educational Leadership and Policy Studies.
3. Attendance at least one defense of a dissertation proposal in Educational Leadership and Policy Studies.
4. Attendance at least one defense of a dissertation final paper in Educational Leadership and Policy Studies.
5. Attendance in at least two (2) professional development experiences. These can include:
 - a. a local, state, or national conference that pertains to education or a relevant social science. The sessions attended should be individually listed.
 - b. an academic or professional conference, sponsored by the College of Education, when offered. The sessions attended should be individually listed.
 - c. a higher education conference, sponsored by the University of Houston or other Institution of Higher Education in Houston (e.g., Rice University, Texas Southern University, Prairie View A&M University, Houston Community College, etc.).
6. Membership of the Higher Education Student Association (HESA) at University of Houston, there is an expectation that students must be paid members.
7. Student or professional membership in a professional organization (e.g., American Educational Research Association (AERA), Association for the Study of Higher Education (ASHE), NASPA – Student Affairs Administrators in Higher Education, ACPA – College Students Educators International, Council for the Study of Community Colleges (CSCC)
8. Meet with a Higher Education faculty member, external of your advisor, with whom you may have scholarly or professional alignment.

I think I tracked down the website here: [HESA at UH's Flowpage \(flowcode.com\)](https://flowcode.com) but I am a little confused as the HESA PayPal says the student membership is for AY 23-24? Also, some documentation I came across states that this is a Facebook group (I do not use Facebook). Could you please advise?

Also for #5, one of the conferences I am interested in attending the Teaching and Learning With AI conference at UCF, which was highly recommended by several faculty I spoke to. Would this be considered acceptable? I have attached a sample agenda from last year's event.

Subject: Higher Education Sharepoint and PHD Handbook for Cohort 2024

Hello PHD Cohort 2024,

Here is your [Cohort 2024 PHD Handbook](#). You can find it (as well as other resources including the Comprehensive Exam Portfolio guidelines) in the [UH HELPS Community Higher Education Sharepoint site](#).

If you don't already have access, please click on the link to the site to request access and it will be granted shortly.

You should be able to find all or most of the information about the program (academic requirements and resources, etc.) in the handbook.

Please reach out if you have any questions.

Thanks,

Vincent
