RESIDENCY REPORT

This form is to be completed at the end of each semester for that semester to be counted as part of the doctoral residency.

Semester: Summer **Year:** 2025

List the courses that have been completed this semester. Include the course number, title, and the grade received.

Course No.	Course Title	Grade Received
ELCS 8338	Administration of Higher Education in Multicultural	A v
CUST 8378	Current Issues in Higher Education	A v
		-- select one -- v
		-- select one -- v
		-- select one -- v

List the activities that have been completed as part of residency (give date, function, and your participation).

05/28 - 05/30/2025: Attended Teaching & Learning with AI conference

To my understanding, the need to attend a candidacy proposal and defense is no longer required (nor was it available during from Fall 2024 to Fall 2025).

If accurate, I believe my residency requirements have been fulfilled (please see attached).
